

STUDENT SUSTAINABILITY COMMITTEE

Funding Award and Acceptance Letter

May 4, 2016

Project Leaders: Kevin Armstrong  
Project: Green Lighting at the Foreign Language Building

Dear Mr. Armstrong:

On behalf of the University of Illinois at Urbana-Champaign Student Sustainability Committee (SSC), I would like to thank you for considering the funds raised by the Sustainable Campus Environment Fee to implement a project that improves the sustainability of our campus. SSC is pleased to inform you that we are recommending to the Institute for Sustainability, Energy, and Environment (iSEE) that the Green Lighting at the Foreign Language Building Project **receives \$11,200 in grant funding.**

In order to remain eligible for this award, you must agree to the following conditions:

1. A final report of all work completed should be provided to the SSC Program Advisor by January 31, 2018.
2. Project status updates and detailed account statements must be provided at the end of each semester until the project is completed.
3. The CFOP provided for this award shall strictly be used for the money awarded in this proposal.
4. Any substantial modifications to project scope, budget, or timeline must first be approved by SSC. These requests must be submitted in a formal letter to the Chair and Program Advisor.
5. All projects will be expected to follow campus policies and procedures as well as any applicable State and Federal laws.
6. SSC reserves the right to revoke funding if the project does not comply with the terms and conditions outlined in this letter.
7. Any press releases or educational/promotional materials involving the project should acknowledge SSC funding.
8. Any signage involving the project or events surrounding this project should include SSC's logo and/or a statement of which fee funded the project. Projects must coordinate with SSC to ensure promotion appropriately highlights the SSC's contributions to the project.
9. Projects must participate in the Campus Sustainability Symposium at least once before June 30, 2018.

If you agree to the terms and conditions for the funding, please sign on the designated line at the bottom of this letter. If you have any questions regarding these requirements please contact the Chair, Paul Couston, at [pcousto2@illinois.edu](mailto:pcousto2@illinois.edu) or the SSC Coordinator, Micah Kenfield, at [kenfield@illinois.edu](mailto:kenfield@illinois.edu). You will be notified when the Institute for Sustainability, Energy, and Environment and Vice Chancellor for Student Affairs officially approves this project. Again, thank you for your interest in improving the sustainability of the University of Illinois at Urbana-Champaign. We look forward to working with you in the future.

## Project Information

**Project:** Green Lighting at the Foreign Language Building

**Funding Source:** Sustainable Campus Environment Fee

**Funding Amount:** \$11,200

**Receiving Campus Unit:** LAS

**Primary Contact:** Kevin Armstrong

**E-mail:** [kdarmstr@illinois.edu](mailto:kdarmstr@illinois.edu)

### Project Description:

Hallways in the Foreign Language Building, especially on the upper floors, may go long periods with no traffic. However, the overhead lighting is always on, which is extremely energy inefficient. This project aims to replace some of the overhead lighting with more energy efficient options and install occupancy sensors to automatically dim the lights when people are not present.

This proposal directly funds:

1. Occupancy sensors
2. Overhead LED lighting
